

INTRODUCTION

REM-B HYDRAULICS, situated close to the international port of Antwerp, specializes in repair, distribution and maintenance of hydraulic equipment.

With over 25 years of experience, REM-B HYDRAULICS guarantees an unparalleled technological expertise and knowledge of the hydraulic market.

A team of 50 motivated employees will always do their utmost to give you a quick, efficient solution and this at a competitive price. Rest assured that your hydraulic pump, motor, cylinder or valve is at REM-B HYDRAULICS in the hands of skilled experts.

REM-B HYDRAULICS is specialized in the following fields:

- ▶ Sales of entire components and spare parts
- ▶ Sales, rental and calibration of High-Force Tools
- ▶ Repair of all hydraulic equipment
- ▶ Maintenance, servicing and monitoring
- ▶ Projects, group building, auditing and filtration

REM-B HYDRAULICS is a brand- independent company. We are convinced that in offering a wide array of brands we can provide our clients with the best services available. We focus on premium brands: BOSCH REXROTH, DENISON, EATON VICKERS, ENERPAC, HYDAC, KAWASAKI STAFFA, LINDE, LIEBHERR, POCLAIN, RACINE, SAUER.

Managing Director,
Ivo Van Vaerenbergh

REPAIR, OVERHAUL AND SALES OF CYLINDERS

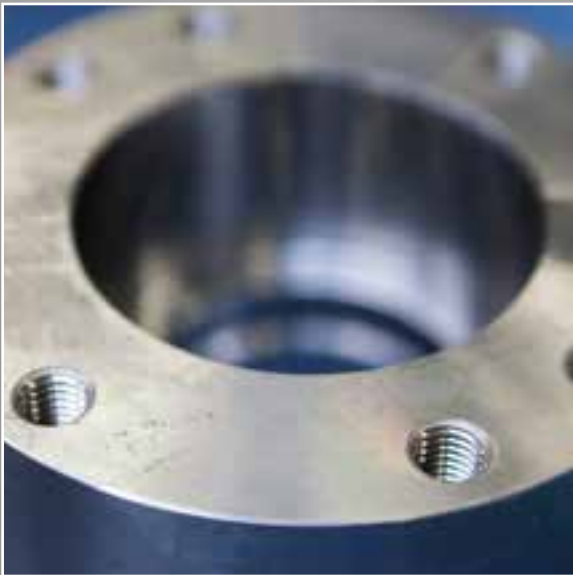

REM-B HYDRAULICS: the reference for hydraulic cylinders

REM-B HYDRAULICS specializes in repair, overhaul and sales of a wide range of hydraulic cylinders: from small, standard cylinders to very large and complex models.

With more than 25 years of experience REM-B HYDRAULICS is able to deliver a high quality product in a very short time.

- ▶ Advanced machinery
- ▶ Conventional lathes, honing machines and CNC-controlled workstations
- ▶ Unique clamp and tilt system ensures faster delivery times
- ▶ Hard Chrome Plating in 1 week
- ▶ Large dimensions, large volumes
- ▶ Lengths up to 10 m, diameter 1000 mm, weight up to 35 tons
- ▶ Quotes within 24 hours
- ▶ State-of-the-art test bench
- ▶ New ISO standard cylinders available in 2 weeks

PROJECTS, HYDRAULIC POWERPACKS, AUDITS & FILTRATION

Your partner for hydraulic projects

Projects, the field where all competencies coincide, are no strangers to us. REM-B HYDRAULICS carries out projects for all industrial, marine and mobile sectors.

Due to the existence of a perfect synergy between our people and partners, REM-B HYDRAULICS is capable of executing a wide range of projects

We give you an overview:

- ▶ Custom-built applications
- ▶ System modifications
- ▶ System modernizations
- ▶ Turnkey solutions
- ▶ Shutdowns
- ▶ Maintenance planning
- ▶ System audits
- ▶ Oil management

MAINTENANCE, SERVICE & MONITORING

REM-B HYDRAULICS: the benchmark for hydraulic service

To answer all your Maintenance and Service demands, you can count on REM-B HYDRAULICS' "field organization", a highly trained service unit with a fleet of more than 10 standardized, up-to-date equipped service vans. Whatever the nature of the technical problem with your hydraulic pumps, cylinders or valves, our experts know how to solve it.

Quick interventions or extended maintenance contracts can be conducted at your site by our hydraulic specialists. Larger components can be quickly disassembled, repaired or overhauled in our workshops, and installed back in your workshop/production hall. And this, without any effort from you. We pick up the hydraulic equipment on site and deliver it back to you. That is the service that you get from REM-B HYDRAULICS.

Due to the ever increasing need for a faster service, we can offer a contractual 24-hour service in which interventions can be made 24/7 wherever you want. If you wish, we connect you with long-term maintenance contracts.

- ▶ Extensive fleet
- ▶ Mobile equipment: test units, water separators, particle counters, oil filtration units ...
- ▶ Full hydraulic service
- ▶ 24h/7d contractual availability of a technician
- ▶ International: onsite service is not limited only to Benelux!

REPAIR AND OVERHAUL OF VALVES

REM-B HYDRAULICS: the repair shop for all your hydraulic valves

Whatever is wrong with your hydraulic valves, we guarantee a proper handling of all your repairs. REM-B HYDRAULICS possesses all the necessary analysis and test equipment to repair, overhaul and test a wide range of proportional, conventional and servo valves.

For repair of on-board electronics and electronics in general we work with a number of select partners. Moreover, each of your valves is repaired according to factory specifications tested on our computerized test bench. REM-B HYDRAULICS provides each valve repaired with a test certificate. Thus, you are ensured that your valve is perfectly recovered.

- ▶ All brands and all types of hydraulic valves: proportional, conventional and servo valves.
- ▶ Short lead times
- ▶ Modern, computerized test bench
- ▶ Repair of electronics in collaboration with international partners
- ▶ Modular proportional valve blocks in conjunction with AMCA

REPAIR AND OVERHAUL OF PUMPS AND MOTORS

REM-B HYDRAULICS:
quality repair of pumps and motors

REM-B HYDRAULICS is properly equipped for the repair of a wide range of hydraulic pumps and motors. For this we have the necessary machinery for cleaning, mechanical processing and assembly of components.

All repaired pumps and motors are tested according to factory specifications. REM-B HYDRAULICS has designed and installed state-of-the-art testing facilities, assuring you that you will get your material back in top condition.

- ▶ Repair of all brands
- ▶ Quick turnaround
- ▶ Large inventory of spares
- ▶ State of the art test stand
- ▶ Power up to 400kw

SALES OF PARTS AND HYDRAULIC COMPONENTS

REM-B HYDRAULICS: all the top brands under one roof

REM-B HYDRAULICS is specialized in the sales and manufacturing of hydraulic parts and components. Our range consists of both original hydraulic components as well as its own set of equivalent products. The latter are always subject to the strictest quality control. We want to get only the best hydraulic equipment for you.

We have a large stock of spare parts and complete components of A-brands. Everyday REM-B HYDRAULICS ships its products to over 30 countries worldwide. Through REM-B HYDRAULICS you will find what you need. Our team of product specialists will answer your questions quickly and efficiently.

Complete units and parts of the following brands:

- ▶ BOSCH REXROTH, DENISON, EATON VICKERS, ENERPAC, HYDAC, KAWASAKI STAFFA, LINDE, LIEBHERR, POCLAIN, RACINE, SAUER
- ▶ Both original and the equivalent brand
- ▶ Modern logistics department
- ▶ Exporting to over 30 countries
- ▶ Wide range of products in stock
- ▶ Quick answers
- ▶ Experienced team of product specialists
- ▶ After-sales service

BOSCH REXROTH

REM-B HYDRAULICS, for many years the specialist in BOSCH-REXROTH products

REM-B HYDRAULICS is specialized in the sale of pumps, motors, valves and spare parts of one of the world's leading brands: BOSCH-REXROTH.

After 25 years of close cooperation with one of the market leaders in Hydraulics, Bosch Rexroth products have no more secrets for REM-B HYDRAULICS. That's why we can guarantee you a smooth, secure and fast service.

- ▶ Great product knowledge of the complete range
- ▶ Both new and the old generation components
- ▶ Large stock of spare parts, original and equivalent
- ▶ Stock of original complete units - A10V, PV7, A2FM, A2FO and many others
- ▶ International network of contacts
- ▶ Modern logistics department and warehouse
- ▶ We export to more than 30 countries
- ▶ Repairs and service in our own workshop
- ▶ Exchange and reman-program

ENERPAC AND HIGH FORCE TOOLS

REM-B HYDRAULICS and ENERPAC: we can lift you to a higher level!

REM-B HYDRAULICS is, as the largest ENERPAC dealer in Belgium and Luxembourg, your preferred partner for all hydraulic lifting, hoisting, and bolting applications. The high quality brand ENERPAC has always been the reference in these fields.

The tandem REM-B / ENERPAC has for more than 15 years experience taking care of all your supplies, repairs and projects involving lifting and bolting applications.

- ▶ Official dealer ENERPAC
- ▶ Authorized ENERPAC SERVICE CENTER
- ▶ Sales, rental and repair of all high-force equipment
- ▶ Bolting on site: we calibrate, advise, demonstrate, test
- ▶ Calibration of all hydraulic torque wrenches
- ▶ Complete range of Simplex Mechanical Jacks

EATON

VICKERS, CHAR-LYNN, AEROQUIP, WALTERSCHEID, HYDROKRAFT

REM-B HYDRAULICS and EATON, pioneer in the world of hydraulics

REM-B HYDRAULICS focuses on the sales of pumps, motors, valves and spare parts of one of the pioneers in hydraulics: EATON. More than 20 years of intensive cooperation ensures that REM-B HYDRAULICS has a strong reputation when it comes to EATON.

Years of gathering experience and knowledge makes it that EATON has no more secrets for REM-B HYDRAULICS. We, thus, can guarantee smooth, secure and fast service.

To help our customers quickly, we have a large stock of both current and old references. As an alternative to the original new products we supply, we offer a very wide range of original Reman products. These components meet the highest quality standards and are supplied under the same warranty as new original products.

- ▶ Official dealer EATON HYDRAULICS Belgium
- ▶ Great product knowledge of the complete range
- ▶ Many new and reman pumps, motors and valves available from stock
- ▶ Both current and old generation components
- ▶ Large stock of spare parts
- ▶ International network of contacts
- ▶ Own repair service and service department
- ▶ Modern logistics department and warehouse
- ▶ We export to more than 30 countries
- ▶ Remanufactured program

KAWASAKI STAFFA

REM-B HYDRAULICS moves forward with KAWASAKI!

REM-B HYDRAULICS is, as the official dealer for Belgium, your partner for service and deliveries of all KAWASAKI pumps, motors and valves.

With almost 100 years of experience in the hydraulic industry, KAWASAKI is one of the world leaders with some of the most advanced designs on the market. KAWASAKI's products are world renowned for their strength, efficiency, quality and reliability.

KAWASAKI made its name with its motors for marine applications and high pressure pumps for excavators. However, today, KAWASAKI products are used in all industrial, maritime, mobile and other industries where there is a need for performance and reliability.

- ▶ Official dealer KAWASAKI STAFFA
- ▶ Sales & repairs
- ▶ Large stock of high-pressure pumps from 45 to 200 cc / rev
- ▶ Spare pumps and motors from stock

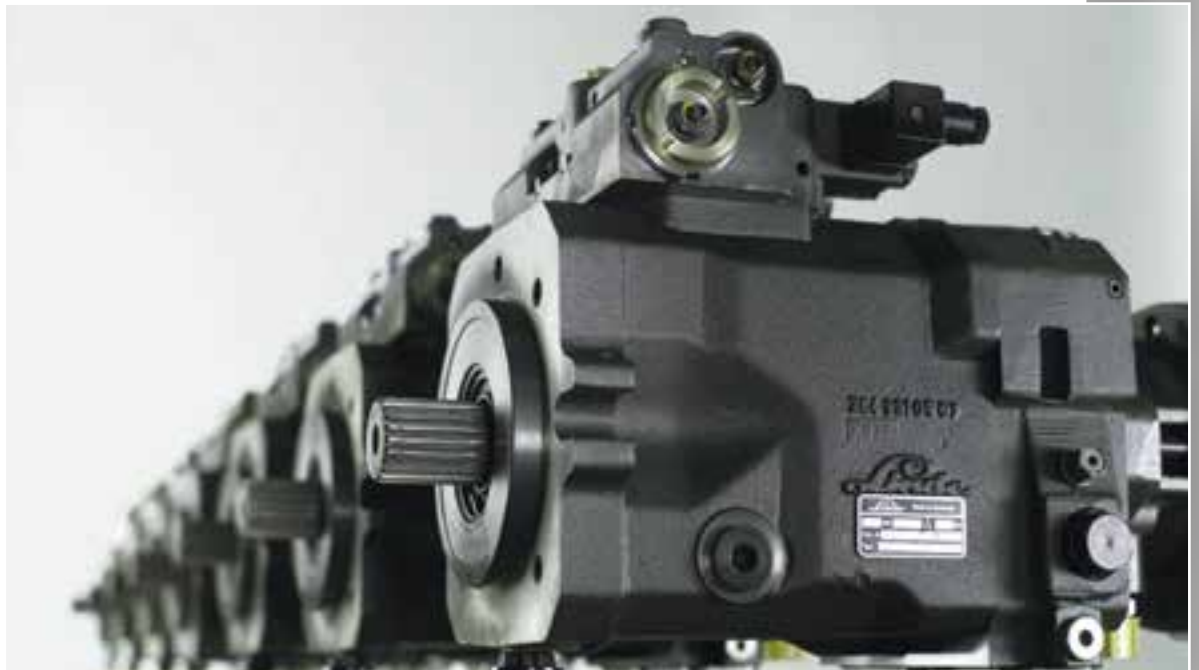

LINDE

REM-B HYDRAULICS, the premier source for repair and sales of all LINDE Hydraulics components.

- ▶ Quick response
- ▶ Fast delivery
- ▶ Wide range
- ▶ Spare parts
- ▶ Units
- ▶ Sales
- ▶ Repair

We have fast access to nearly all spare parts. Although we specialize in GENUINE spares, we also carry a full range of European quality aftermarket parts. Due to an intelligent conversion system we are able to supply a wide range of new units with a short lead time.

OTHER A-BRANDS: DENISON, HYDAC, LINDE, LIEBHERR, POCLAIN, RACINE, SAUER DANFOSS

REM-B HYDRAULICS, focus on premium brands

As a quality supplier REM-B HYDRAULICS focuses on premium brands. Through the years we not only have set up an extensive network of contacts but have also collected a vast amount of information and technical data. We are happy to let our loyal customers participate in this acquired knowledge.

Our own needs for service, maintenance and repair are the basis of our generous stock of critical components. Due to the growing demand for these products, we have expanded this range and made it available for sale to our customers. Our most current A-brands: BOSCH REXROTH, DENISON, EATON VICKERS, ENERPAC, HYDAC, KAWASAKI STAFFA, LINDE, LIEBHERR, POCLAIN, RACINE, SAUER DANFOSS.

- ▶ Great product knowledge and experience
- ▶ Stock fast delivery of standard products
- ▶ International network of contacts
- ▶ Own repair service and service department
- ▶ Modern logistics department and warehouse
- ▶ We export to more than 30 countries
- ▶ BOSCH REXROTH, DENISON, EATON VICKERS, ENERPAC, HYDAC, KAWASAKI STAFFA, LINDE, LIEBHERR, POCLAIN, RACINE, SAUER DANFOSS
